

Make a difference – Opportunity for Full-time Licensed Therapist in Rogers, MN

Become a full-time Licensed Therapist at our newly renovated office in Rogers, MN, with a hiring bonus.

About Bridging Hope

Bridging Hope Counseling is a burgeoning mental health practice with locations in Rogers, Buffalo, and Lino Lakes. We serve our communities with passion and stand as a trusted resource for mental health services. We believe in offering a therapy experience that encourages active hope, belonging, and growth for all.

The Position

We're looking for a therapist who is passionate about reaching the underserved and overlooked, and is particularly interested in serving children, families, and couples. DBT training is strongly preferred.

The licensed therapist is a full-time position plus hiring bonus. Compensation is scalable based on production. Candidates are expected to work 5 days per week including 2 evenings, co-facilitate DBT Skills or other groups, and see a minimum of 25 clients. Supervision hours, professional meetings, staff meetings, etc. are paid time.

As you build your practice, Bridging Hope Counseling provides a furnished office, in-office intake scheduling, billing, EHR, support with marketing, compliance, supportive group meetings, group consultations, and trainings.

Requirements

- LMFT, LPCC, LICSW, LP licensure in state of MN
- Desire to work with children and/or adolescents
- Desire to work with individuals, couples, and families
- Trained in DBT preferred
- Understanding of trauma or strong desire to learn
- Strong organizational skills
- Excellent communication and teamwork skills
- Ability to see clients in person and via telehealth
- Understanding of necessary paperwork
- Possess technology skills
- Self-motivated
- Open to taking on new ventures

Responsibilities

- Individual, couple, teen, and family therapy
- Co-facilitate DBT skills groups (currently groups are via telehealth)

- Stay up-to-date on HIPAA & confidentiality laws and regulations
- Keep current and compliant notes in provided EHR
- Actively connect with the community via outreach opportunities presented by BHC

Why Bridging Hope Counseling

Start a rewarding career at BHC in an uplifting environment with colleagues who are eager to embrace you as an individual and help you develop professionally.

BHC genuinely values authenticity, relationships, accountability, innovation, and encouragement. At BHC, you will find a career that will challenge you as a professional, fulfill you as a person, and create lasting change in the lives of the people you work with.

Bridging Hope Counseling Services PLLC is an Equal Opportunity Employer.
